What is "Operation Round Up"...

Members of Co-Mo Electric Cooperative are participating in an innovative program that collects and distributes funding in its service boundaries to all kinds of worthwhile activities in Benton, Camden, Cole, Cooper, Moniteau, Morgan, Miller, Pettis and Saline counties. It's called "Operation Round Up".

How it works...

Electric bill(s) are "rounded up" to the next highest dollar each month. For example, if a month's bill is \$52.71, it is rounded up to \$53.00 with 29 cents going directly into the "Operation Round Up" fund. A monthly donation may be as little as a penny or as much as 99 cents. The average member contributes an estimated average of just over \$6 a year - a small amount to help needy people and bolster community services in our service area.

What the money is used for...

The money raised will pay for such things as food, shelter, clothing and health care. Donations will also be made to community services like rescue squads and ambulance districts. A portion of the funds will also be used for scholarships in our service area. None of the money will be used to pay electric bills owed to Co-Mo Electric Cooperative or for political campaigns and issues.

How Co-Mo members sign up to "Round Up"...

Easy - they can fill out the form above or give us a call. If they choose to discontinue contributions at anytime, they simply contact their local Co-Mo office. Additional contributions may be made by contacting Co-Mo.

How the money is disbursed...

The Co-Mo Cares Trust Inc. trustees made up of nine volunteer community leaders from our service area, evaluate and award requests for assistance from "Operation Round Up". Trustees were appointed by Co-Mo's Board of Directors.

Contributions tax deductible...

Contributions to "Operation Round Up" are tax deductible. Members receive a summary of contributions on their January and February bills each year. Co-Mo will also use every available means to keep its members informed whenever "Operation Round Up" funds are distributed.

How is assistance from "Operation Round Up" applied for?...

Applications for assistance are available at Co-Mo Electric Cooperative. Anyone seeking help can pick up a form from one of our offices or have one sent to them by mail.

Operation Round Up

Electric bill(s) are “rounded up” to the next highest dollar each month. For example, if a month’s bill is \$52.71, it is rounded up to \$53.00 with \$0.29 going directly into the “Operation Round Up” fund. A monthly donation may be as little as a penny or as much as \$0.99.

This is a wonderful opportunity to help your friends and neighbors in Co-Mo’s service area.
